

Disclaimer

The material and information in this website are provided "As is" and without warranties of any kind, either expressed or implied. Phillip Securities Pte Ltd completely disclaims all liability for the use of the information contained in this site by any user, including any damages, losses, lawsuits, claims or expenses that anyone may incur as a result of using this information. Further, and without limiting the generality of the foregoing, in no event shall Phillip Securities be liable for any direct, indirect, incidental, special or consequential damages arising out of the use of the information herein even if it has been advised of the possibility of such damages. Any advice found in this website is general and it is not intended to provide any insurance or financial advice. The advice found in this website does not take into account of your specific investment objectives, financial situation and any of your particular needs and you should consider whether the product is appropriate for you. While every effort has been made to provide complete and correct information, Phillip Securities Pte Ltd assumes no liability for the completeness of the information provided here. It is your responsibility to evaluate the accuracy, completeness and usefulness of any opinions, advice, services or other information provided in this site. All insurance products are subject to the limitations and conditions in the insurance policies of the respective insurance companies and the applicable legislations. The specific terms & conditions and exclusions of the insurance plans are specified in the respective policies from the insurance companies. Insurance products are provided by various insurance companies and are obligations of the issuing insurance company. They are not bank deposits or obligations of, or guaranteed by Phillips Securities Pte Ltd or any of its affiliates. We encourage you to discuss your insurance requirements with us or your financial advisor should you find discrepancy in the policy, before effecting the insurance. In the event that you choose not to seek advice from a financial advisor, you should consider the suitability of the insurance product.
